DBA

MQA/PA 17431

DOCTOR OF BUSINESS ADMINISTRATION

UTHM Universiti Tun Hussein Onn Malaysia | Johor Business School

DBA: Doctorate by Coursework & Research

Our DBA is for experienced professionals who want to advance their careers. It combines research and coursework to build skills in business and leadership, while helping students solve real-world challenges.

Admission Requirements

- A Master's Degree in a relevant field or a field recognized by the Senate of Universiti Tun Hussein Onn Malaysia; OR
- Other qualifications equivalent to a Master's Degree recognized by the Senate, subject to a minimum of 3 years of relevant work experience and thorough internal evaluation; OR
- Applicants without relevant qualifications in the field or relevant work experience, must meet the prerequisites set by UTHM.
- This programme also accepts students through APEL.A T-8 for those who do not have a master's degree, in accordance with the criteria set by the MQA.

English Requirements

- Local and international applicants who have graduated from universities in Malaysia are exempt from the English requirements.
- International applicants must have a minimum English qualification of IELTS level 6.0/MUET Band 4.0/equivalent standard.
- International applicants who have graduated from universities in designated English-speaking countries may also be exempt from the requirement.
